**me**: I know, he thinks it's funny that he posted my other e-mail address
**me**: he probably won't think its funny when one of his followers sends me info meant for him
**Karen**: Ha! Does he think you are the one behind the story about him being a pedophile?
**Karen**: Why would he link your email to that story?
**me**: I have no idea
**me**: I don't think he thinks it's me, no
**Karen**: Well then that's very weird he would put your email address in that message.
**Karen**: Whoever wrote that is a terrible writer, anyway.
